

These common office supplies can be used for more than just their intended purposes

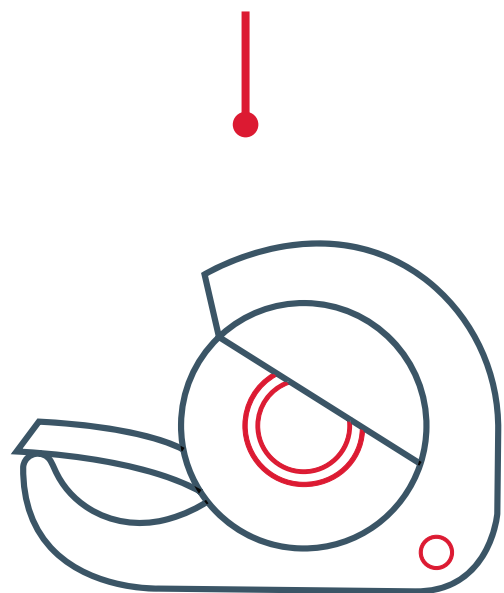

Paper Clips & Binder Clips

Septum remover, clip lines, column holders, clear clogs

Tape

Secure marker ink, spill proofing, tube marking, and more!

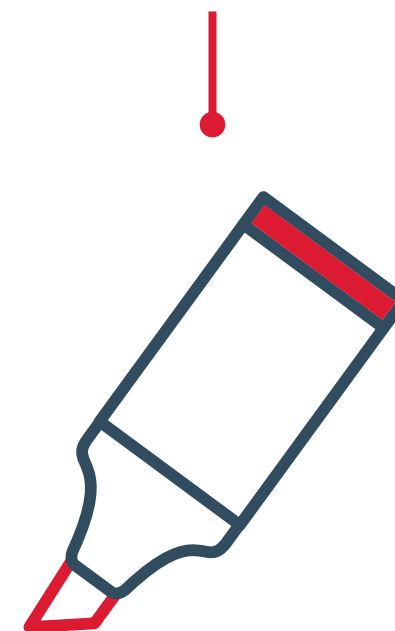

Pen Tips

Heat dry ballpoint pens to refresh

Sharpie Tips

H₂O and marker do not mix, use a bit of solvent to dry out the marker. Write atop your marker error to erase.

Paper

Weighing, funnel, scoops, leak check
